Re: Ordinance 05-15 - Economic Development Agreement with Aspen Energy

Background

Economic Development staff has been in discussions with Aspen Energy about their relocation and expansion of their main corporate office to Dublin. The company has outgrown its current office location in Shawnee Hills and considered locations in Illinois, Texas, and other Central Ohio municipalities for its expansion.

Aspen Energy is a national energy consulting firm. They provide energy procurement and management services to a broad base of small businesses and commercial and industrial customers located across the United States in deregulated energy markets. The company maintains solid relationships with top executives of many large, publicly traded retail energy companies.

The project results in the relocation of forty (40) existing employees to a Dublin office location and adding forty-five (45) new employees by the end of 2019. The company will sign a 10-year minimum lease at a location to be announced in Dublin at a later date.

The Economic Development Agreement proposed by the City of Dublin to Aspen Energy is a five-year, 15% Performance Incentive on withholdings collected (2015-2019), which is capped at \$34,000 for the term of the agreement. In consideration, Aspen Energy agrees to relocate 40 jobs and create 45 new jobs in Dublin by the end of 2019. The company must reach predetermined annual withholdings targets to qualify for these performance incentives.

The State of Ohio has also provided economic development incentives to Aspen Energy to help retain and expand its workforce and investment in Ohio. Please note that the City of Dublin's offer only incentivizes new employee growth above and beyond the current employment headcount. No incentives are provided for employees to be relocated to the new Dublin office location.

The City estimates it will net approximately \$470,000 in income tax withholdings over the agreement's five-year term, should the company grow according to expectations.

Recommendation

Staff recommends Council passage of Ordinance 05-15 at the second reading/public hearing on February 9, 2015. Please contact Jeremiah Gracia with any questions.

ECONOMIC DEVELOPMENT AGREEMENT

THIS ECONOMIC DEVELOPMENT AGREEMENT (the "*Agreement*") is made and entered into this ____ day of _____, 2015, by and between the CITY OF DUBLIN, OHIO (the "*City*"), a municipal corporation duly organized and validly existing under the Constitution and the laws of the State of Ohio (the "*State*") and its Charter, and ASPEN ENERGY CORPORATION, an Ohio corporation (the "*Company*") and together with the City, the "*Parties*"), under the circumstances summarized in the following recitals.

RECITALS:

WHEREAS, consistent with its Economic Development Strategy (the "*Strategy*") approved by Dublin City Council Resolution No. 07-94 adopted on June 20, 1994, and the updated Strategy approved by Dublin City Council Resolution No. 30-04 adopted on July 6, 2004, the City desires to encourage commercial office development and create and preserve jobs and employment opportunities within the City; and

WHEREAS, based on the results of the Company's recent comprehensive examination of workforce needs, and induced by and in reliance on the economic development incentives provided in this Agreement, the Company desires to locate a main office and associated operations and workforce within the City; and

WHEREAS, pursuant to Ordinance No. ____-15 passed on _____, 2015 (the "*Ordinance*"), the City has determined to offer the economic development incentives described herein to induce the Company to lease a facility within the City for the location of a main office and associated operations and workforce within the City, which will result in the creation of new jobs and employment opportunities to improve the economic welfare of the people of the State of Ohio and the City, all as authorized in Article VIII, Section 13 of the Ohio Constitution; and

WHEREAS, the City and the Company have determined to enter into this Agreement to provide these incentives in order to induce the Company to lease a facility and locate its operations and workforce, all within the City;

NOW THEREFORE, the City and the Company covenant, agree and obligate themselves as follows:

Section 1. Company's Agreement to Lease a Facility and Locate Its Operations and Workforce Within the City. In consideration for the economic development incentives to be provided by the City herein, the Company agrees that it will lease a facility within the City for the location of a main office and associated operations and workforce within the City, all consistent with the terms of this Agreement. The Company expects to create eighty-five (85) new employee positions within the City by December 31, 2019. The average annual wage of these new employees is estimated to be Seventy Thousand and 00/100 Dollars (\$70,000.00), with total estimated payroll withholdings of approximately Five Hundred Four Thousand One Hundred Eighty-One and 00/100 Dollars (\$504,181.00) over the term of this Agreement. The Company agrees that the City's obligations to remit payments pursuant to Section 2 of this Agreement shall be contingent upon (a)

the Company delivering to the City a fully executed copy of an agreement evidencing the Company's lease of a facility within the City for a period of at least ten (10) years (from _____, 201__ to _____, 202__) and (b) such other conditions as are set forth in Section 2.

Section 2. City Agreement to Provide Incentives.

(a) General. In consideration for the Company's agreement to lease a facility within the City for the location of a main office and associated operations and workforce within the City, the City agrees to provide economic development incentives to the Company in accordance with this Section.

(b) Workforce Creation Incentive.

(i) Calculation of Actual Payroll Withholding Taxes. On or before March 15 of each of the years 2016 through 2020, the City shall calculate the actual payroll withholding taxes collected and received during the then preceding calendar year and in respect of that preceding calendar year by the City from all Employees (as defined below). For purposes of that calculation, the Company acknowledges and agrees that the total amount of actual payroll withholding taxes in respect of any calendar year shall be determined based solely upon the amount of payroll withholding tax payments actually received by the City from the Company during that calendar year. The Company agrees that the determination of whether to include in such calculation any amount received by the City in respect of any calendar year but following the conclusion of that calendar year, shall be solely within the discretion of the City. For purposes of this Section 2, "Employees" shall include only those individuals employed by the Company and working within the City.

(ii) Information Relating to Employees. The Company agrees that, in accordance with the Dublin City Code, the annual payroll reconciliation and related W-2 forms relating to its Employees will be provided to the City prior to February 28 of each calendar year.

(iii) Employer Identification Number. The Company's Employer Identification Number is _____. The Company agrees that if the Employer Identification Number changes at any time during the term of this Agreement, the Company will notify the City of such change, including the new Employer Identification Number, within thirty (30) days of the occurrence of such change.

(iv) Annual Incentive Payments to the Company. If the actual payroll withholding taxes collected and received by the City pursuant to subsection 2(b)(i) during the then preceding calendar year and in respect of that preceding calendar year from all Employees, net of refunds (such amount being referred to as the "Actual Withholdings"), equal or exceed the Target Withholdings (as defined in subsection 2(b)(v)) for that preceding calendar year, the City shall, on or before April 15 of the then current calendar year, pay to the Company, solely from nontax revenues (as defined in subsection 2(d)), an amount equal to the product of (A) the difference between (1) an amount equal to the Actual Withholdings for that preceding calendar year minus (2) an amount equal to the Base

Withholdings for that preceding calendar year, multiplied by (B) fifteen percent (15%) (with each such product being referred to as an “*Annual Incentive Payment*”); *provided, however*, that (1) the City shall not be required pursuant to this subsection 2(b) to remit an Annual Incentive Payment to the Company in excess of the Annual Cap (as defined in subsection 2(b)(v)) in any calendar year, and (2) the aggregate amount of all Annual Incentive Payments remitted pursuant to this subsection 2(b) by the City to the Company shall not exceed Thirty-Four Thousand and 00/100 Dollars (\$34,000.00).

(v) Base Withholdings, Target Withholdings and Annual Cap. The Base Withholdings, Target Withholdings and Annual Cap for each of the calendar years 2015 through 2019 shall be:

<u>Calendar Year</u>	<u>Base Withholdings¹</u>	<u>Target Withholdings¹</u>	<u>Annual Cap</u>
2015	\$ 58,000	\$ 70,000	\$ 2,200
2016	58,000	88,000	4,800
2017	58,000	112,000	8,500
2018	58,000	115,360	9,000
2019	58,000	118,821	9,500

(1) The Base Withholdings represents the estimated payroll withholding taxes which will be collected in respect of the Company's forty (40) existing employees which be relocated to the City. The difference between the Target Withholdings and the Base Withholdings for each calendar year reflects the anticipated minimum withholdings attributable to new employee positions created after the Company expands within the City.

(vi) Forfeiture of Right to Receive Workforce Creation Incentive Payment. The Company agrees and acknowledges that Annual Incentive Payments provided for in subsection 2(b) are being made by the City to the Company in consideration for the Company's agreement to execute a lease within the City for the location of a main office and associated operations and workforce within the City and to create additional employment opportunities, all within the City. The Company further agrees that if the Target Withholdings requirement is not met for any given calendar year as set forth in subsection 2(b)(v), the City shall not be obligated to make an Annual Incentive Payment to the Company for the calendar year in respect of which the Target Withholdings requirement was not satisfied. Failure to satisfy the Target Withholdings requirement in respect of any one calendar year does not prohibit the Company from receiving an Annual Incentive Payment for any subsequent calendar year in respect of which the Target Withholdings requirement is satisfied.

(c) Method of Payment. The payments to be paid to the Company as provided in this Section 2 shall be made by the City to the Company by electronic funds transfer or by such other manner as is mutually agreed to by the City and the Company.

(d) City's Obligation to Make Payments Not Debt; Payments Limited to Non-Tax Revenues. Notwithstanding anything to the contrary herein, the obligations of the City pursuant to this Agreement shall not be a general obligation debt or bonded indebtedness, or a pledge of the general credit or taxes levied by the City, and the Company shall have no right to have excises or taxes levied by the City, the State or any other political subdivision of the State for the performance of any obligations of the City herein. Consistent with Section 13 of Article VIII, Ohio Constitution, any payments or advances required to be made by the City pursuant to this

Section 2 shall be payable solely from the City's non-tax revenues. Further, since Ohio law limits the City to appropriating monies for such expenditures only on an annual basis, the obligation of the City to make payments pursuant to this Section 2 shall be subject to annual appropriations by the City Council and certification by the Director of Finance of the City as to the availability of such non-tax revenues. For purpose of this Agreement, "*nontax revenues*" shall mean, all moneys of the City which are not moneys raised by taxation, to the extent available for such purposes, including, but not limited to the following: (i) grants from the United States of America and the State; (ii) payments in lieu of taxes now or hereafter authorized to be used for the purposes by State statute; (iii) fines and forfeitures which are deposited in the City's General Fund; (iv) fees deposited in the City's General Fund from properly imposed licenses and permits; (v) investment earnings on the City's General Fund and which are credited to the City's General Fund; (vi) investment earnings of other funds of the City that are credited to the City's General Fund; (vii) proceeds from the sale of assets which are deposited in the City's General Fund; (viii) rental income which is deposited in the City's General Fund; and (ix) gifts and donations.

If any representative of the Company has knowingly made a false statement to the City to obtain the incentives described in this Agreement, the Company shall be required to immediately return all benefits received under this Agreement pursuant Ohio Revised Code Section 9.66(C)(2) and shall be ineligible for any future economic development assistance from the State, any State agency or a political subdivision pursuant to Ohio Revised Code Section 9.66(C)(1). The Company acknowledges that any person who provides a false statement to secure economic development assistance may be guilty of falsification, a misdemeanor of the first degree, pursuant to Ohio Revised Code Section 2921.13(F)(1), which is punishable by a fine of not more than \$1,000 and/or a term of imprisonment of not more than six months

In the event such default or breach is of such nature that it cannot be cured or remedied within said thirty (30) day period, then in such event the defaulting Party shall upon written notice from any non-defaulting Party commence its actions to cure or remedy said breach within said thirty (30) day period, and proceed diligently thereafter to cure or remedy said breach. (h) Executed Counterparts. (l) Limit on Liability. Notwithstanding any clause or provision of this Agreement to the contrary, in no event shall City or the Company be liable to each other for punitive, special, consequential, or indirect damages of any type and regardless of whether such damages are claimed under contract, tort (including negligence and strict liability) or any other theory of law.
